Summary: This is a parody of 'The Star-Spangled Banner,' but as the Imperium of Man. Thought this would be something like their National Anthem.

The One-Eyed Eagle

A/N: No, I have not given up on Guard. I'm changing it a bit. Enjoy this piece.

Oh, say can you see, by the Emp-or-er's Light,
What so proudly we hailed, at the Cru-sade's last gleaming,
Whose drawn wings and bright eye, thru the perilous fight,
O'er the sandbags we watched were so gallantly streaming,
And the Lasgun's red glare, the bolts bursting in air,
Gave proof through the ages, that our Ea-gle was still there,
Oh, say does that One-Eyed Eagle yet wave,
O'er the land of Mankind, and the Home of the Brave,
On our worlds, dimly seen, through the chaos of Warp,
Where our foe's, haughty hosts, in Chaos reposes
What is that, which the light, of the Emp-or-er yet shines on,
As it fitfully glows, half conceals, half discloses,
Now it catches the gleam, of the Emp-or-er's beam,
'Tis the One-Eyed Eagle! Oh long may it wave,

O'er the land of Mankind, and the home of the brave!
And where are those Lords, who so vauntingly swore,
That the havoc of heresy, and the Warp's confusion,
A home, and Im-per-ium, should leave us no more!
Their blood has washed out, the xen-os' pollution,
No refuge could save, the Ser-vi-tor and slave,
From the terror of Warp, or the gloom of the grave,
And the One-Eyed Eagle, in triumph doth wave,
O'er the land of Mankind, and the home of the brave!
Oh! Thus be it ever, when Imp-er-ium shall stand,
'tween home and their fu-ture, and the war's de-so-lation,
Blessed with vic-tor-y and peace, may the Emp-or-er smi-le
Praise the POW-ER that made, and pre-served all Man-Ki-iind,
Then conquer we must, when to cleanse the unjust,
And thi-is be out mo-tto, 'Praise the Em-po-rer ever!'
And the One-Eyed Eagle, in triumph shall wa-ave,
O'er the La-and of Mankind, and the Ho-ome of the BRA-AVE!
